#### Working Methods

I have dedicated my life to serving and connecting others to growth, development, inner reflection, and creativity. This, coupled with my resilience in overcoming many life challenging situations, has enabled me to offer a rich learning experience to my supervision and coaching clients.

I offer, 1-2-1, paired and group supervision. All are built on a foundation of trust, support, reflection, and compassion, and harnessed by a commitment from myself, to fully invest in you and your clients.
